

Registered Group Life Mastertrust Application form

What is the Legal & General Group Life Mastertrust?

It's a registered master trust scheme we've set up, that's available to employers insuring Group Life Assurance with us.

Our Group Life Mastertrust is not suitable for insuring:

- Employees who have an employment contract with a non UK company. For example, subsidiaries and associated companies based outside the UK.
- Employees with Fixed Protection from the tax charge above the lump sum and death benefits allowance.
- Dependants' Pension benefits.
- Equity partners or LLP members except where the employees of the partnership are also included.
- Excepted Group Life Policy or Relevant Life Policy benefits. Employers choosing to insure Excepted Group Life Policy or Protect Relevant Life Policy benefits with us may wish to consider our Relevant Life Mastertrust instead, which they can join using our [Relevant Life Mastertrust application](#).

Read [Introducing the Legal & General's Mastertrusts](#) for more details about our Relevant Life Mastertrust and our registered Group Life Mastertrust.

You can apply to join our registered Group Life Mastertrust by simply completing this form, signing and e-mailing this back to us. We will confirm inclusion in writing once we've received your application and agreed your policy cover.
