## General wellbeing

There's a wealth of health and wellbeing tools to help you manage your general wellbeing and / or another condition that's not listed

## Simple, straightforward digital support

Developed with NHS clinicians and patients, CONNECTPlus offers a wide range of digital features to provide simple, straightforward support and guidance.

### Features include:

- Specific condition and healthy lifestyle information
- Symptom trackers
- Appointment diary
- Medication reminders
- Video explainers and frequently asked questions

### Alternative formats

If you would like this translated or have a copy in an alternative format such as large print, braille or audio please [email us](#) or call us on **0345 026 0094**. Lines are open from 9am to 5pm, Monday to Friday. We may record and monitor calls. Call charges will vary. BH4305 06/25

## Benefits to you

- **Knowledge at your fingertips:** Easy access to clinically approved information to feel more informed about your condition and general health.
- **Efficient support:** Find answers to questions which could reduce unnecessary phone calls and visits to health departments.
- **Track your progress:** Monitor your symptoms by tracking changes and improvements in your health
- **Self-management:** Get support while waiting for appointments, with advice on how to manage your condition.
- **Preparation for work:** Understand how to prepare for returning to work, if appropriate.

\*Immediate family includes spouse, partner, registered civil partner, and children aged 16 to 24 in full-time education living in the same household.
